**Car Insurance:** \_\_\_\_\_

**Phone:** \_\_\_\_\_

**Internet:** \_\_\_\_\_

**TV:** \_\_\_\_\_

**TOTAL** \_\_\_\_\_

If you plan on living off-campus, you may not know what your rent or utilities will be. Go online and search for apartments for rent where you are interested in living to get an estimate. You can also contact the local electric and water company in the area for more information. Remember, you'll also need money for food, gas or transportation, clothing, and entertainment.
